

COUNTY DRAWS SPLENDID TRUCK

Will Receive Three-Ton Heavy Artillery Truck as Gift From Government.

The government, having a surplus of army trucks, has concluded to stimulate road work by giving to every county in the state doing state-aid work, an army truck. Representatives from every county in the state, excepting Floyd county, which is not doing any state aid work, met at the state capitol yesterday where a lottery or drawing for trucks was held, under the supervision of Hon. R. Wiley, Commissioner of Public Roads of this state.

Most of the trucks were International and Nash trucks of two ton capacity, while a few of them were heavier and more expensive trucks. In the drawing, Montgomery county was fortunate enough to draw a three-ton heavy artillery truck. This truck is regarded as one of the most desirable ones in the lot and cost about \$5,000.00. The trucks are at Jeffersonville, Ind., and will be sent for just as soon as the proper papers can be received from Washington. The truck is given the county absolutely. The only conditions imposed are that it must not be loaned, sold, given away or exchanged.

At the drawing Montgomery county was represented by County Judge E. W. Senff, Attorney W. A. Samuels and Commissioner R. G. Kern.

CHILD HAS AWFUL EXPERIENCE

Tommie, little son of Mr. and Mrs. L. R. Douglas, had a narrow escape from serious injury last Thursday while playing in the automobile of Mr. Harve Knox at the latter's home. In some way the child started the machine and Mr. Knox seeing it start, ran after same and succeeded in catching and stopping it just as it was about to crash into the curb at the Catholic church corner.

WILLIAM OLDHAM TO WED

The forthcoming wedding of Mr. William Oldham, eldest son of Mr. and Mrs. A. B. Oldham, of this city, and the junior member of the firm of A. B. Oldham & Son, to Miss Charlotte Mudgett, of Petoskey, Mich., has been announced.

While the date of the wedding has not been announced it is understood that it will take place some time in the late summer or early fall. Miss Mudgett is not a stranger in Mt. Sterling and has often been the pleasing guest of Mrs. N. H. Trimble and during these visits she has become widely known and quite popular in social circles in this city. The bride-to-be is a very charming and accomplished girl and a member of one of Michigan's first families. Mr. Oldham recently received his discharge from the U. S. Marines and during his enlistment saw much service in foreign countries. He is a graduate of the Mt. Sterling High School and is one of the most popular and deserving young men in this city. Following the marriage they will make their home with Mr. and Mrs. John S. Frazer in this city.

CIRCUIT COURT NEWS

The May term of the Montgomery Circuit Court adjourned Saturday after a brief session. Only a short term was held owing to farmers being so busy. Will Ferguson, colored was fined \$60 and given 20 days in jail. He was out on bail and his bond was forfeited. The case of the Commonwealth vs. John R. Kidd for false swearing, was continued until the next term of court. John Allen Hall, colored, charged with the killing of a colored boy, was given a sentence of life imprisonment. Jim Coffee, also colored, charged with killing his wife, stated that he had not secured counsel and his trial was postponed until the next term of court. A number of other cases of minor importance were tried and the cases disposed of.

COMMENCEMENT EXERCISES

Of Mt. Sterling Graded and High School Being Held This Week.

The Baccalaureate sermon to the graduating class of the Mt. Sterling High School was delivered by Dr. M. V. P. Yeaman at the Presbyterian church Sunday night. A large crowd was present and the Doctor delivered a most interesting and highly instructive sermon. The graduating class of the High School is composed of the following young ladies and gentlemen:

Louis Barnes, Martha Coleman, Katherine Conroy, Emma Cooper, Elizabeth Guthrie, Alice Griffin, Mabel Henry, Frances Henry, Ruth Kelly, Irene McNamara, Thelma Pierce, Margaret Turley, Abner B. Oldham, Jr., and Edward Prewitt.

The subject of the address which will be delivered by Dr. Thos. B. Terhune at the City High School Commencement Thursday evening, is "The Backstairs of Success." Dr. Terhune, in addition to his work as pastor of a large church in New Albany, has, for a number of years, devoted much time to the lecture platform. His services are in great demand by Chautauqua bureaus and the press of the cities in which he has spoken has been loud in its praise of this gifted speaker.

The school orchestra which is composed of Miss Florence Shirley, Miss Virginia Duff, Miss Christine Ramey, Billy Reid and Miss Evelyn Prewitt, will furnish the music for the exercises held at the High School Auditorium.

SCHOOL TERM IS SHORTENED

Term Has Been Forty Weeks For Several Years But Has Been Reduced to Thirty-Six.

At a meeting of the City School Board, Monday night, it was decided that the scholastic year 1919-1920 should consist of thirty-six weeks of actual school work, instead of forty weeks including the Christmas holidays as has been the practice heretofore. This action was deemed advisable in view of the rapidly increasing cost of maintenance, and the very light increase in the revenues of the Board.

The rates of tuition for non-resident pupils were fixed at \$15.00 per term for grades 1, 2, 3 and 4; \$20.00 per term for grades 5, 6, 7, and 8; \$25.00.00 per term for grades 9, 10, 11 and 12.

The following teachers were elected for the ensuing year: Mrs. Sophia Randall, Miss Lucille Hardin, Miss Anna B. Pinney, Miss Florence Shirley, Miss Vivian Alfrey, Miss Elizabeth Duerson, Miss Eliza Harris, Miss Mattie Hoffman, Miss Bessie Robinson and Miss Mary Welsh for the elementary school and for the high school the following were chosen: Mrs. Ben R. Turner, Principal; Professor W. M. Overcash and Miss Alice Cassity. Miss Alice McGuire was not an applicant for re-election and a teacher of Mathematics will be chosen later.

At a recent meeting a committee was appointed to have installed a complete laboratory for chemistry, physics and other sciences in high school. This has been a pressing need for some years and will add much to the efficiency of the local high school.

SUIT IS FILED TO ANNUL WILL

Mrs. Stoner Files Suit to Set Aside Brother's Will; To Be Bitter Contest.

Mrs. R. G. Stoner, through attorneys R. G. Kern, of this city, and Franklin & Talbot, of Lexington, has filed suit to set aside the last will and testament of her deceased brother, Col. A. W. Hamilton.

It will be remembered that Col. Hamilton, a short time before his death, made a will bequeathing the bulk of his estate to Miss Bessie Lane and to a relative, Miss Ida Hamilton. His estate is valued at about \$10,000.00 and Judge R. H. Winn is named as executor.

Judge Winn has retained Judge E. C. O'Rear, of Frankfort, to represent him and the suit promises to be a bitterly contested one.

TELEPHONE AND RAILROAD RATE INCREASE UPHELD

In creased railroad, telephone and telegraph rates ordered by the Railroad Administration and by the Postmaster General, respectively, were sustained Monday by the Supreme Court, which held that the war powers conferred by Congress upon the President included sweeping control over the railroad and wire systems with "supreme and conclusive" authority to fix intrastate rates.

PROPERTY SELLS WELL

The sale of the property of the late S. S. Fizer, consisting of three houses and a number of lots was held Saturday and the bidding was spirited as the bidders knew the property would positively be sold. The sale totaled something over fourteen thousand dollars.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Clayton Strode, of Winchester, announce the engagement of their daughter, Miss Martha Frances, to Mr. Clay H. Sutherland, of Paris, the wedding to take place some time during the summer. The above announcement will be received with much interest here where both of the contracting parties are well and favorably known. Miss Strode is widely related throughout Montgomery county and is a frequent visitor to this city where she is known as a most charming and talented young lady, who by her sweet disposition and charming manner has endeared herself to a host of friends. Mr. Sutherland is a son of Mrs. Fannie Belle Sutherland, of Paris, and is known and admired in this city by a host of friends. He is the representative of Swift & Co., in this section and Mt. Sterling is a part of his territory. He is a Shriner of high standing and graduate of the University of Kentucky.

HAS NARROW ESCAPE

Sarah Nancy, the young daughter of Mr. and Mrs. Marion Bridges, had a narrow escape from drowning last week at their home in the county while playing near a pond. It seems the child fell in the water and was unable to get out and her older brother, who was with her, notified a colored servant who became panic stricken and instead of rescuing the child, ran and told Mrs. Bridges who rushed to the pond just as the child was going under for the last time and pulled the little one from the water, but in returning to the shore became stuck in the mud and had to be rescued by farm hands. Both mother and child are entirely all right and what came near being a calamity did little harm.

GOOD NEWS TO CREAM PATRONS

The latest feature added to the business of Messrs. W. T. Hunt & Co., the wholesale cream buyers, is the making of their cream checks payable at a local bank. Instead of issuing such checks on a bank in another city and causing their patrons more or less inconvenience and at the same time placing themselves under obligations to persons cashing these checks, all that is necessary now is to step across the street to the bank the check is drawn on. Then, too, very often a check is lost, misplaced or accidentally destroyed by a cream patron and under this home banking method a duplicate check can be given immediately without a possible wait of a month or so to see if that check turns up.

PARALYSIS FATAL

Mr. Bingham Anderson, an elderly farmer of the Sideview section, died at his home Sunday afternoon of paralysis. Mr. Anderson had been practically an invalid for a number of years and his death was not unexpected. He was a splendid citizen and had many friends who will be grieved to learn of his death. The funeral was held at 11 o'clock this morning, conducted by Rev. Clyde Darsie, with burial in Mchpelah cemetery.

S. W. EVANS PASSES AWAY

Came to This City From Bath County and was a Very Prominent Man.

Mr. S. W. Evans, aged 81 years, a prominent retired farmer, died at his home on High street in this city, Monday afternoon, following a ten days' illness. Deceased came to this city from below Bethel two or three years ago and had become quite a popular and admired citizen. He was for a long number of years a member of the Methodist church at Bethel and in his earlier days was an active and enthusiastic worker of this denomination. When he moved to this city he brought his membership to the local church. He was a christian gentleman in the highest sense and lived a life well worthy of emulation. Funeral services will be conducted at Bethel at 11 o'clock Wednesday morning, by Rev. Jeff Redd, assisted by Rev. J. L. West, with burial at that place. He is survived by his wife and four sons, Oscar Elgin Evans and D. D. Evans, of this city; Lewis Evans, of Hartford City, Ind., and M. W. Evans, of Sherburne, all of whom have the sympathy of many friends in the loss of this noble and upright gentleman.

HAS NARROW ESCAPE

Mr. S. English Anderson had a narrow escape from injury Sunday afternoon. He had driven to Lexington to see his daughter who is attending Hamilton College and was on his way home and while passing a road intersection in Fayette county a couple of people riding a motorcycle crashed into the side of his automobile knocking it nearly across the road and damaging the fender considerably. One of the men was thrown from the motorcycle and had one leg badly bruised. Fortunately the other man and Mr. Anderson escaped.

to keep. For the same reason never threaten, "Son if you do that again, I'll spank you," for if he does it again you will have to spank him or in a short time he will come to laugh at your authority.

Do not confuse the workings of an imaginative brain as evidence of untruthfulness, but enter in to the spirit of the "make-believe." In the case of the little tot who says, "Mavver, I went out in the garden and I saw some Indians," enter into the spirit of the play and say, "Just make-believe Indians, dear, you mean?"

My little two-year-old daughter quite startled me one day by insisting she saw lions and tigers and great big elephants out in the yard. She was kneeling on a chair looking out so I came at once to the window, not expecting to see a zoo in the yard, but wondering what there was to make her imagine such things. There was nothing at all in sight but grass and flowers, so after thinking it over for a second I said in reply, "Oh, yes, I see some monkeys, too—just make-believe, like yours." She looked up at me and laughed delightedly, and at once we were entered upon a new game.

Cheerful obedience is another lesson to be learned from play. A child should not cry or fuss when mother says, "Time to put up your toys," or "Come to me, dear, I want to dress you." The average parents demand obedience, but usually exercise their authority only at such times as disobedience means inconvenience to the parents themselves. It is the teaching of constant obedience which requires the greatest patience and tact in all child-training. You cannot let your vigilance flag for one moment nor can you allow an offense to pass unnoticed.

This brings up the question of punishments. I have said that children are naturally sociable. An effective form of punishment for most offenses, therefore, is isolation from the rest of the family, and no reinstating to favor until pardon has been asked and given. Make your

Keep Well

Do not allow the poisons of undigested food to accumulate in your bowels, where they are absorbed into your system. Indigestion, constipation, headache, bad blood, and numerous other troubles are bound to follow. Keep your system clean, as thousands of others do, by taking an occasional dose of the old, reliable, vegetable, family liver medicine.

Thedford's Black-Draught

Mrs. W. F. Pickle, of Rising Fawn, Ga., writes: "We have used Thedford's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator. . . . We use it in the family and believe it is the best medicine for the liver made." Try it. Insist on the genuine—Thedford's. 25c a pack—age. E-75

punishment fit the offense. Children are so active that to make them sit still on a chair alone is a sufficient punishment for rudeness, whining and the like. The child who persists in touching things which are not his to touch can be punished by having his hands tied behind his back. I used this form of punishment or "cure" successfully in breaking the nail-biting habit also.

TRAINING LITTLE CHILDREN

Suggestions by Mothers Who Have Been Kindergartners.

BY MRS. LENORE R. RANUS

Allow your child to have company and playmates as often as you can. When possible, have playmates near his own age. Naturally out of this social intercourse will spring valuable lessons in courtesy, generosity and patience. Always be fair in settling disputes among children. Do not favor your own child's story entirely, for which he may never have told an untruth there is always the possibility of a sliding from grace. Sometimes it is very difficult to get a correct account from excited children. If the quarrel is over a doll or a train of cars and you cannot discover who is in the right, take away the toy, remarking quietly that if they can't play nicely with it they will have to do without it.

I do not think that there is a better opportunity than in play to teach lessons in honesty; play is so vital a part of child life and the child takes his play so seriously. In teaching a child to be honest in word and action the parents first must be honest in all their dealings with the child. Never make a promise that you cannot keep, or that you do not intend

FOLKS are a heap like tobacco. Thar's hot-headed, bitey folks. Thar's flat, uninterestin' folks. An' then thar's folks like Velvet—mild, but hearty an' fren'ly, too.

Velvet Joe

Velvet

THE FRIENDLY TOBACCO

"Friendly" is a very good word to describe the positively pleasing quality that sets VELVET tobacco apart.

There is that indescribable something about VELVET that is associated in men's minds with the thought of a friend.

It is a satisfying smoke—never harsh; without a bite. Like a friend it "agrees" with you no matter how much you use it.

Long, patient ageing—in wooden hogsheads—does it. Friendship must ripen slowly. Good tobacco the same way. An army of men have learned this through VELVET.

Today is a good time to get a lot of comfort out of a pipeful of friendly VELVET.

ANNOUNCEMENTS

We are authorized to announce as a candidate for the Democratic nomination for Representative of the 95th Legislative District (Montgomery and Menifee counties) at the August Primary, 1919,

THOMAS L. CAUDEL.

We are authorized to announce as a candidate for the Republican nomination for Railroad Commissioner of the Third District, at the August Primary, 1919,

CLAY CISCO.

A PLATFORM CONVENTION

Many leading Democrats of the state are very anxious to see those in charge of party affairs, call a platform convention before the primary. It is argued that this plan would tend to eliminate matters of difference between the various candidates and insure success in November. As it is each candidate is announcing the things for which he stands and naturally will expect a convention, held after the primary, to endorse his views. We believe a convention before the primary would be a good thing for the party, if no endorsements are made of candidates. Personally, we oppose a handpicked ticket. As everybody knows the Republican ticket was chosen by less than half a dozen party bosses. The law gives their selection to the people and we believe any effort to usurp that sacred privilege, will be resented at the polls. We do hope, however, to see our party promulgate a platform of worth-while principles. The Republican platform, cut and dried weeks before the convention, while containing many good things, is, in the main, but a jingle of words. For instance, it proclaims the party in favor of good roads and good schools. Now every man, woman and child in Kentucky, is for these; yet the platform offers no concrete suggestion as to how it is proposed by the Republican party to get better roads or schools. In many other respects, it deals in generalities and on the whole is not such a document as would appeal to the independent voter.

The Democratic party is the hope of the people. In fact, it is the party of the people and if the leaders make no mistakes, victory in November can be made a certainty.

MR. THOS. SCOTT

Just as we were preparing to go to press, Mr. Thomas Scott authorized us to announce him as a candidate for the Democratic nomination for Chief of Police at the Primary to be held on Saturday, August 2nd, next.

Mr. Scott needs no introduction to the voters of the city of Mt. Sterling, having served as a member of our local police force for a number of years. During that time he has always discharged his duty with fidelity and has been especially vigilant in the enforcement of our prohibition

laws. He promises if elected to give the city a clean and capable administration and to diligently enforce all laws of the city and state, in order that our city may be one of law and order.

As a worthy citizen and loyal partyman, we present his claims and ask for them the serious consideration of his fellow-Democrats.

TO THE DEMOCRATIC VOTERS, MT. STERLING, KY.

At the regular Primary Election, August 3rd, you will select your nominee to fill the office of Chief-of-Police.

It is my ambition and, growing out of this and the thoughtful solicitation of many of our citizens, I have decided to ask for this nomination.

For several years I have served in the capacity of policeman for this city, and am acquainted with every duty that comes through the office of Chief of Police.

I have been, and am now, an advocate of temperance, and firmly believe in a rigid enforcement of all liquor laws, and there has been no time in the history of the city when these laws are in need of more active attention than now.

I submit my desire for this nomination for the approval of all of the Democrats of the city, and if nominated and elected, I pledge an honest and energetic performance of all of the duties that come to me.

Respectfully submitted,

THOS. SCOTT.

June 3, 1919.

SALOONS TO BE PUT TO NEW USE

Saloons, which go out of business in the United States on the night of June 30, will be put to a new use by the Salvation Army of America. Not all of them, of course, for the Salvation Army hasn't the money to do that and many of the present owners will continue their establishments as soft drink emporiums, but as many of the barrooms as possible will be brought under the control of the army of which Commander Evangeline Booth is the head. The territory covered by this new move of the Salvation Army will extend from ocean to ocean and from Canada to Mexico.

There will be a white-jacketed barkeeper, as now, and the counter across from the mahogany will become a self-service restaurant instead of a "free lunch" counter. Only soft drinks will be dispensed.

Commander Booth in an interview said:

"The Salvation Army has, within the last few weeks, demonstrated the psychology of the brass rail. There is something about the shining bar which brings all men to a common footing. The easy and relaxed attitude of those who lean against the mahogany or cherry suggests comfort. Because wine and beer are to go, shall not a man take his ease in his own inn?"

"Therefore, at our newly-opened hotel in West Forty-seventh streets we have kept the bar and brass rail and the bartender back of them. Although soft drinks are served instead of hard ones, this barroom of the new era glows with good cheer. There are many bartenders of genial personality and good character who could just as well remain behind the soft drink bar as not."

The Kentucky campaign for funds for the Home service work of the Salvation Army will close on the day the saloon business goes out of existence in America. It begins June 23. Every returned soldier who came in contact with the Salvation Army workers in the field is a booster for that fund.

Raise More Corn which can be done by using

BLACK HAWK EDGE SELECTION DROP PLANTERS

No. 15 Black Hawk Edge Selection Variable Drop Corn Planter

The advantage of the edge dropping system over the round hole system of planting is that the Black Hawk accurate dropping will increase the yield over the round hole plate planter enough to pay for itself in planting a very few acres, as illustrated in Table No. 4.

NOTE FOLLOWING TABLES

Table 1	ONE ACRE CONTAINS	100 square rods
		43560 square feet
		3240 hills of corn planted 3 ft. 8 in. apart each way
		3555 hills of corn planted 3 ft. 6 in. apart each way
		3920 hills of corn planted 3 ft. 4 in. apart each way
		4343 hills of corn planted 3 ft. 2 in. apart each way
		4940 hills of corn planted 3 ft. 0 in. apart each way
		9720 stalks, if planted 3 in a hill 3 ft. 8 in. apart each way
		10665 stalks, if planted 3 in a hill 3 ft. 6 in. apart each way
		11760 stalks, if planted 3 in a hill 3 ft. 4 in. apart each way
		6886 stalks, if planted 2 in a hill 3 ft. 2 in. apart each way
		9680 stalks, if planted 2 in a hill 3 ft. 0 in. apart each way

Table 2	100 large ears of corn	make a bushel
	110 medium ears of corn	make a bushel
	120 small ears of corn	make a bushel

Table 3		If each stalk bears a medium sized ear of corn the following will be the yield per acre:
Planted 3 ft. 8 in. each way and 3 stalks in a hill	68.3 bushels
Planted 3 ft. 6 in. each way and 3 stalks in a hill	66.9 bushels
Planted 3 ft. 4 in. each way and 3 stalks in a hill	106.9 bushels
Planted 3 ft. 2 in. each way and 2 stalks in a hill	78.9 bushels
Planted 3 ft. 0 in. each way and 2 stalks in a hill	68.0 bushels

Table 4		When corn is planted 3 ft. 8 in. apart each way a loss of one medium sized ear from
Every 2nd hill equals 14.7 bu. per acre, worth at present market prices	\$11.76
Every 3rd hill equals 9.8 bu. per acre, worth at present market prices	\$7.84
Every 4th hill equals 7.4 bu. per acre, worth at present market prices	\$5.48
Every 5th hill equals 5.9 bu. per acre, worth at present market prices	\$4.23
Every 6th hill equals 4.9 bu. per acre, worth at present market prices	\$3.52

The above table was figured at 80c per bushel. With the above facts before you, can you afford to buy any other planter but the BLACK HAWK?

LONG TIME LOANS

We are making long time loans at a low rate of interest to farmers on easy terms, whereby the borrower is given the privilege of paying off all or any part of his loan at any time he chooses.

These loans are split up into equal payments and a small amount of the principal is paid each year; the borrower thus retiring his loan gradually, and in a few years he has paid it all off.

We can save you money in interest and insure you against being called on to pay off your loan when times are hard.
